

NAUTIC CLEAN®

20

GLASS CLEAN

Properties:

Ultra performing professional cleaning spray, **Glass Clean** is specially designed to clean and protect glass and Plexiglas of boats. Its composition, reinforced with protective agents helps to preserve the treated surfaces from external aggressions and bad weather.

Functional, **Glass Clean** offers a prehension ability and simple use. Its ergonomic spray head system allows applying the solution **Glass Clean** on surfaces without flowing.

The formula **Glass Clean** is also effective for the rapid treatment of materials such as wood, plastic, Plexiglas, stainless steel, furniture, aluminum.

Instructions for use:

Spray **Glass Clean** on the surfaces to clean or directly onto a dry cloth. Rub while repeating a movement from top to down, then wipe off. For a result without traces, **Nautic Clean®** recommends the **microfibre cloths A1 or A2** of the range **FLOWEY® «Accessories»**.

Technical specifications:

Physical state: light blue colored liquid **pH:** 8 **Density:** 0,99
