## TEAK STEP 2

### Properties

Formulated and tested in our laboratories especially to revive teak and restore its beautiful original appearance.

**TEAK STEP 2** is an acid-based product that does not attack wood, seals and stainless steel. The ideal is to use it in combination with **TEAK STEP 1**. The result is extraordinary, **TEAK STEP 2** is the perfect renovator for teak.

### ADVANTAGES:

- Perfect renovator.
- Perfect teak restoration in combination with **TEAK STEP 1** cleaner, degreaser, stain remover.
- Does not alter seals (laboratory tested).
- Does not alter stainless steel (laboratory tested).
- No rinsing between the two phases, time saving.
- Without hydrochloric acid.

### Instructions for use

Apply pure or diluted 50% with water depending on the condition of the teak. After applying **TEAK STEP 1**, without rinsing, put **TEAK STEP 2** in a bucket and using a clean deck brush, gently spread in the direction of the fibers. You can see the reaction, your teak lightens as it is spread out to regain its beautiful original appearance. Leave on for 5 to 10 minutes then rinse thoroughly with water, rubbing with a soft brush to avoid damaging the teak fibres.

**ATTENTION:** Do not let **TEAK STEP 2** dry on teak.

We recommend wearing protective clothing: gloves, boots, coveralls, eyeglasses.
